What we ask of you is an inspection of our Spring and Summer Clothes ready to put on. We are giving you the choicest assortment ever seen in this town at prices not to be matched by anyone. We are offering you values that no firm can undersell, as our line of Suits for men of taste, for the young men of fancy and for the little fellows were selected by us with great care while in New York and Boston early in April purchasing goods preparatory to our new opening. These Suits are marvelously close to the tailor's handiwork in trimming, workmanship, style and durability.

Ten Per Cent Discount at the Colburn Clothing Company's Store!

Today we will commence a great **Bargain Sale** and give you more value for your money than you ever received at a Clothing store before at this time of the year. But Clothing "bargains" are being advertised everywhere. Some are legitimate; some are false. If you would do a little shopping you would not need to be told which are which. And yet you might not notice the cotton. All these points we see at once, because it is our business to see them. You will see them, too, after you have worn the Clothing for a time, but then it will be too late. Come and see what real bargains are. Hats and Haberdashery are in it also. Remember these goods are all new and of the latest style. No old goods in our store.
